Section 44 of Associations Incorporated Regulation 2022 states:

“The association’s financial year is—

(a) the period commencing on the date of incorporation of the association and ending on the following 30 June, and

(b) each period of 12 months after the expiration of the previous financial year, commencing on 1 July and ending on the following 30 June.

**Note—** The Regulation, section 22 contains a substitute clause 44 for certain associations incorporated under the *Associations Incorporation Act 1984*.”

Is this purely an example of dates, or will all Incorporated Associations have to change their financial years from whatever they are at the moment to 1 July to 30 June?
