Question options

☒ No ☐ Not sure ☐ Yes. Please tell us about the work you do.

Mandatory Question (35 response(s))
Question type: Radio Button Question

Q5 | Do you currently design or do building work for a class 2 building which are typically multi-unit residential apartment buildings?

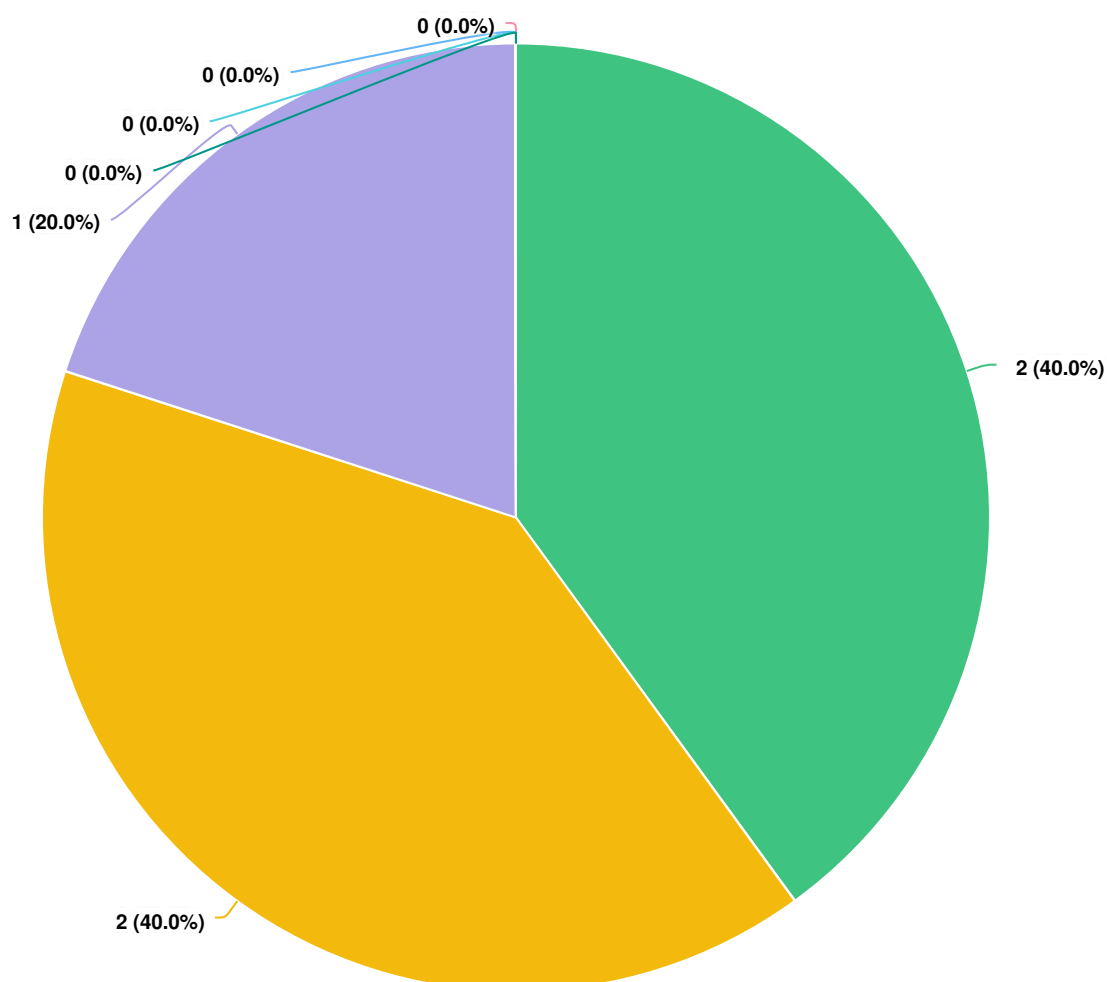

Question options

- ☐ No ☐ Not sure ☐ Yes. Tell us about the work you do.

Optional question (54 response(s), 75 skipped)
Question type: Radio Button Question

Q6 Which of the following best describes the organisation you work for?

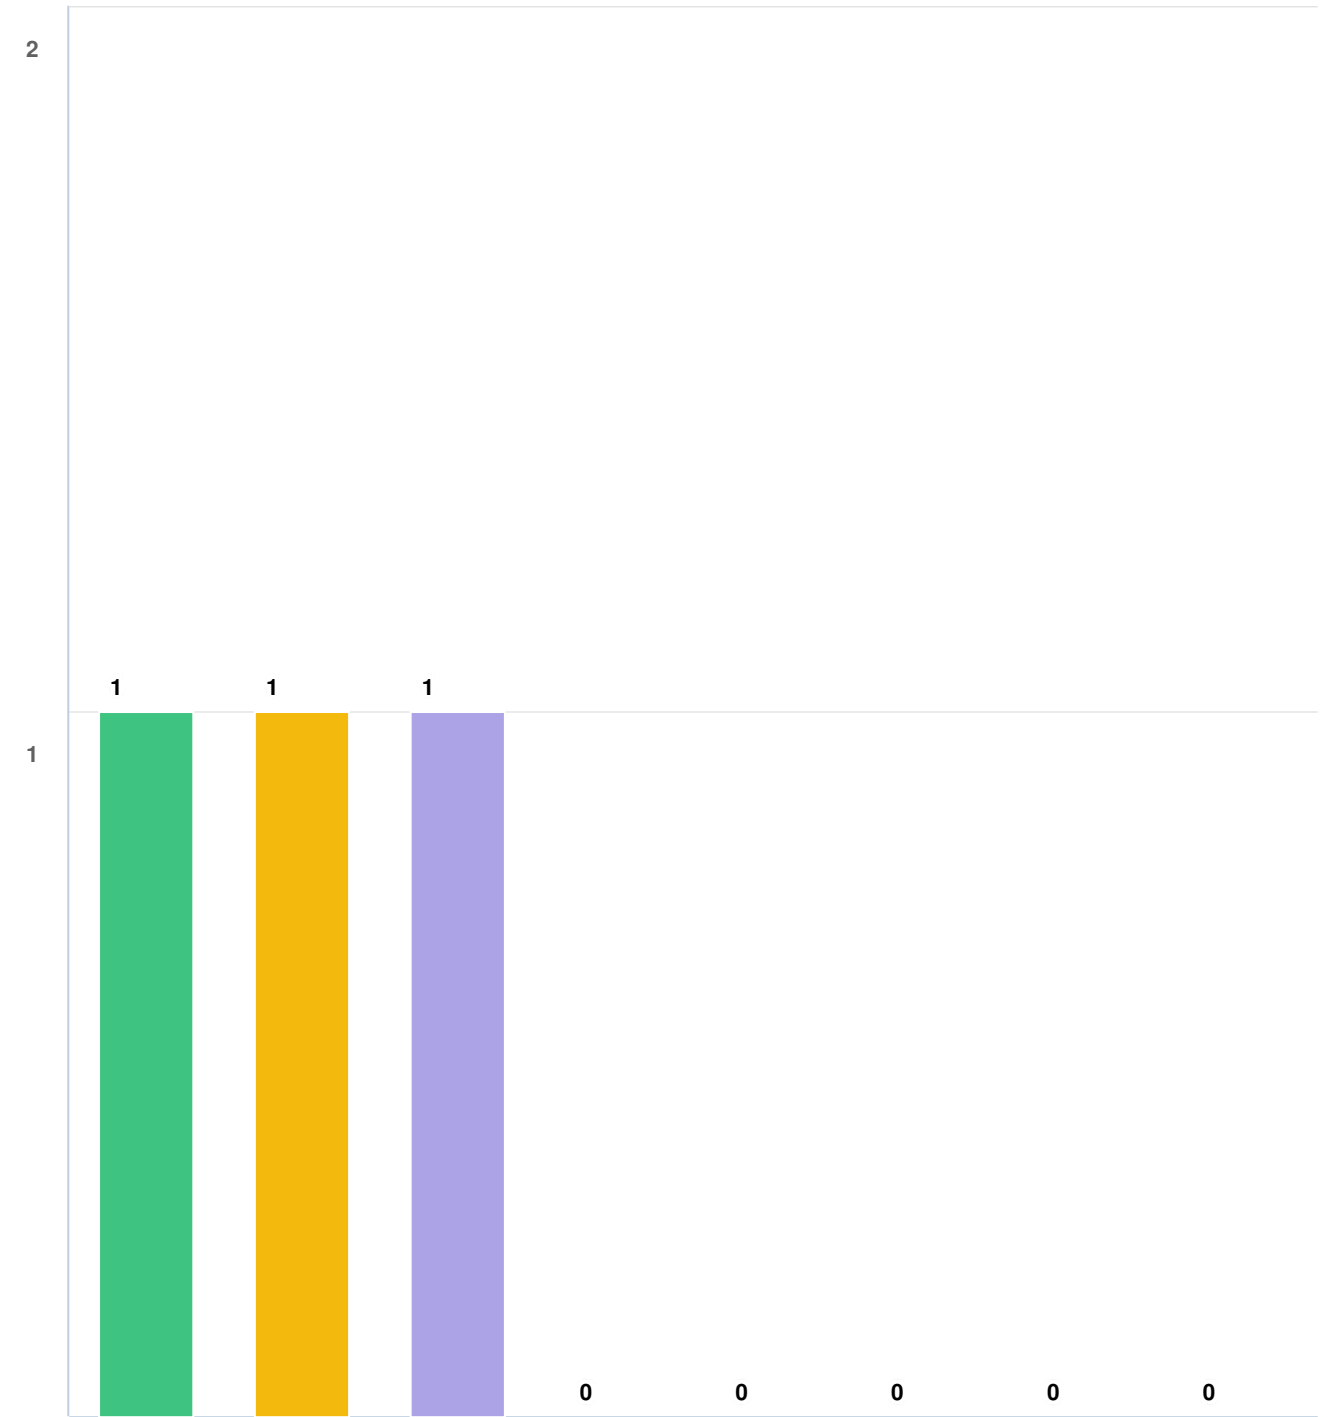

Question options

- Industry association – engineering
- Industry association – tradespeople
- Other (please specify)
- Industry association – design
- Industry association – building
- Industry association – developers
- Industry association – certifiers

Mandatory Question (5 response(s))
Question type: Radio Button Question

Q7 Which of the following best describe the area of engineering you represent:

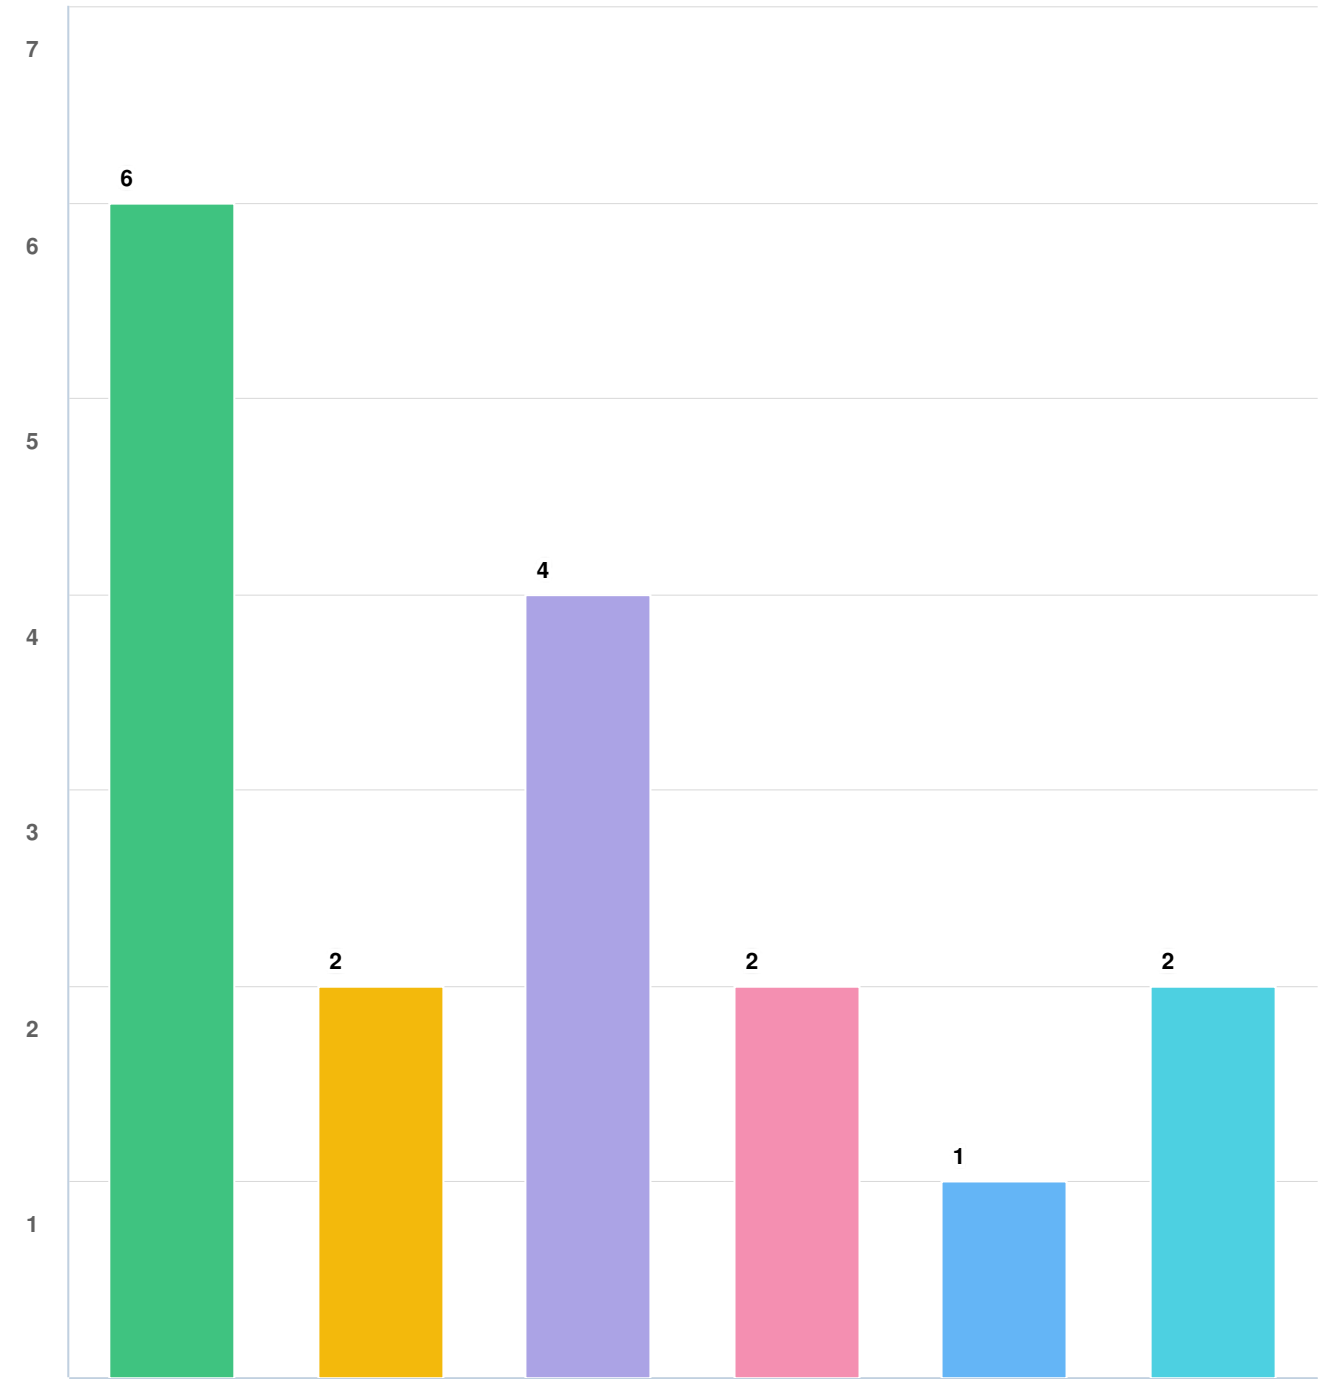

Question options

- All
- Civil
- Other (please specify)
- Fire safety
- Geotechnical
- Electrical
- Mechanical
- Structural

Mandatory Question (3 response(s))
Question type: Checkbox Question

Q8 Please tell us why you are interested in these reforms:

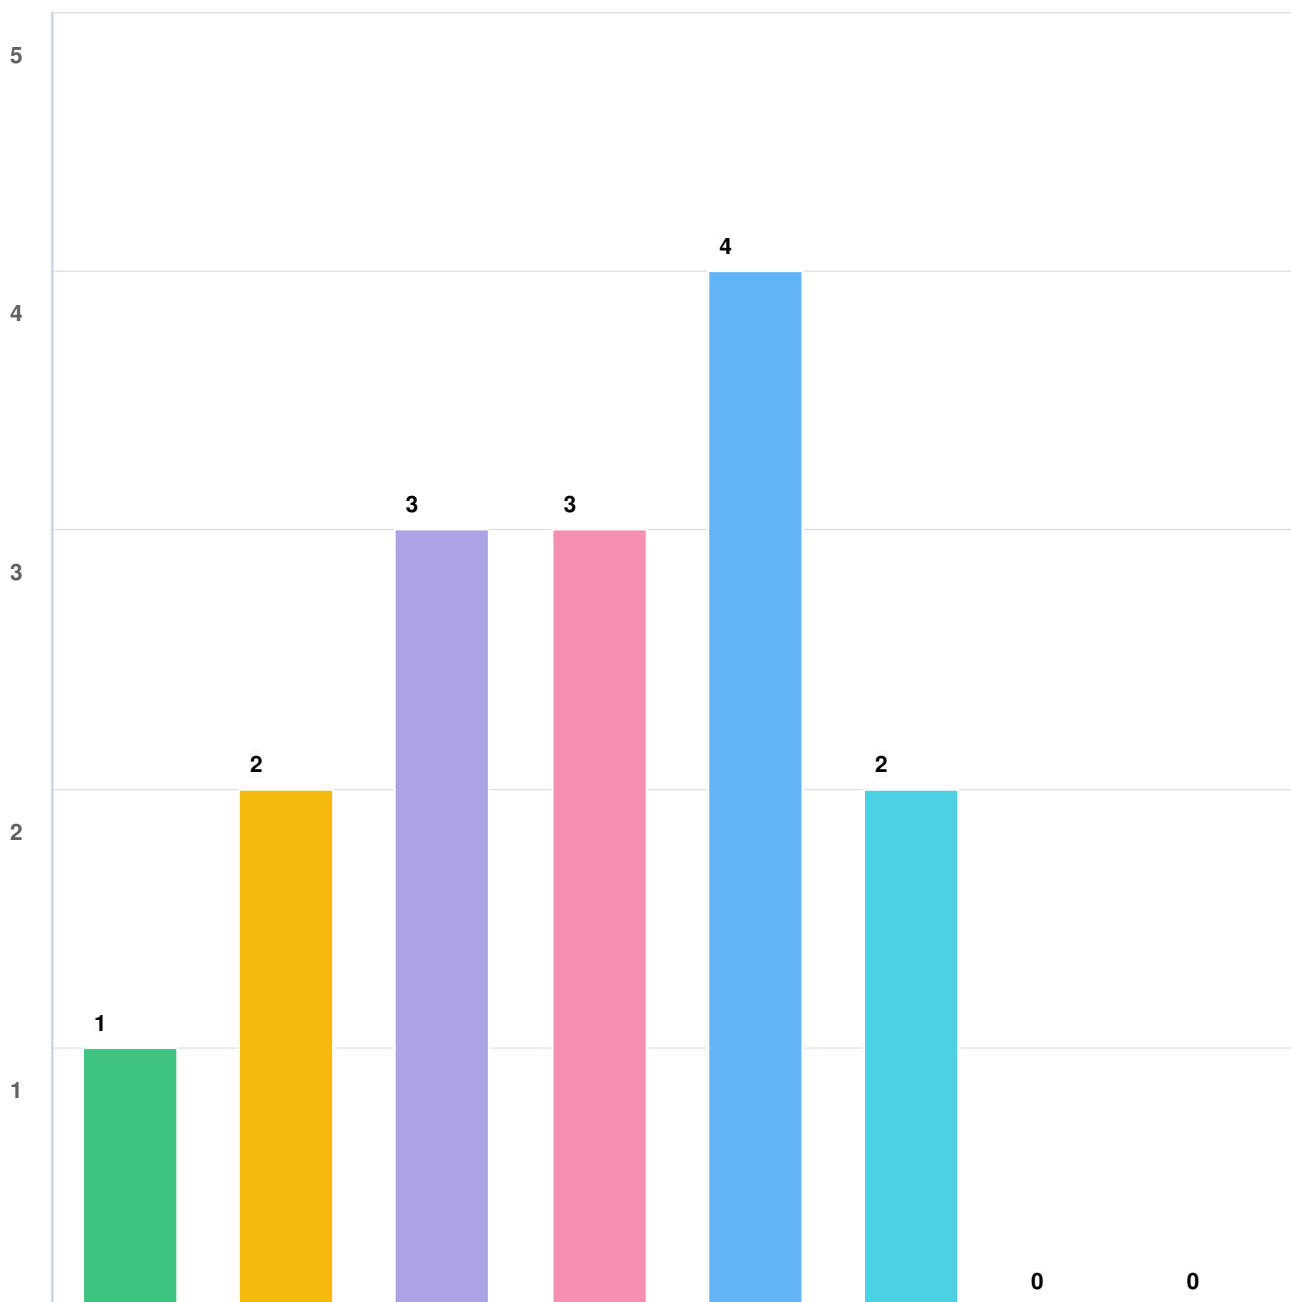

Question options

- My current building has defects
- A building I have previously lived in/owned had defects
- I am interested in purchasing an apartment but am concerned about the quality of design and construction
- I am concerned that my building may have a defect in the future
- General interest
- Other (please specify)

Mandatory Question (12 response(s))
Question type: Checkbox Question

Q9 Please tell us why you are interested in these reforms:

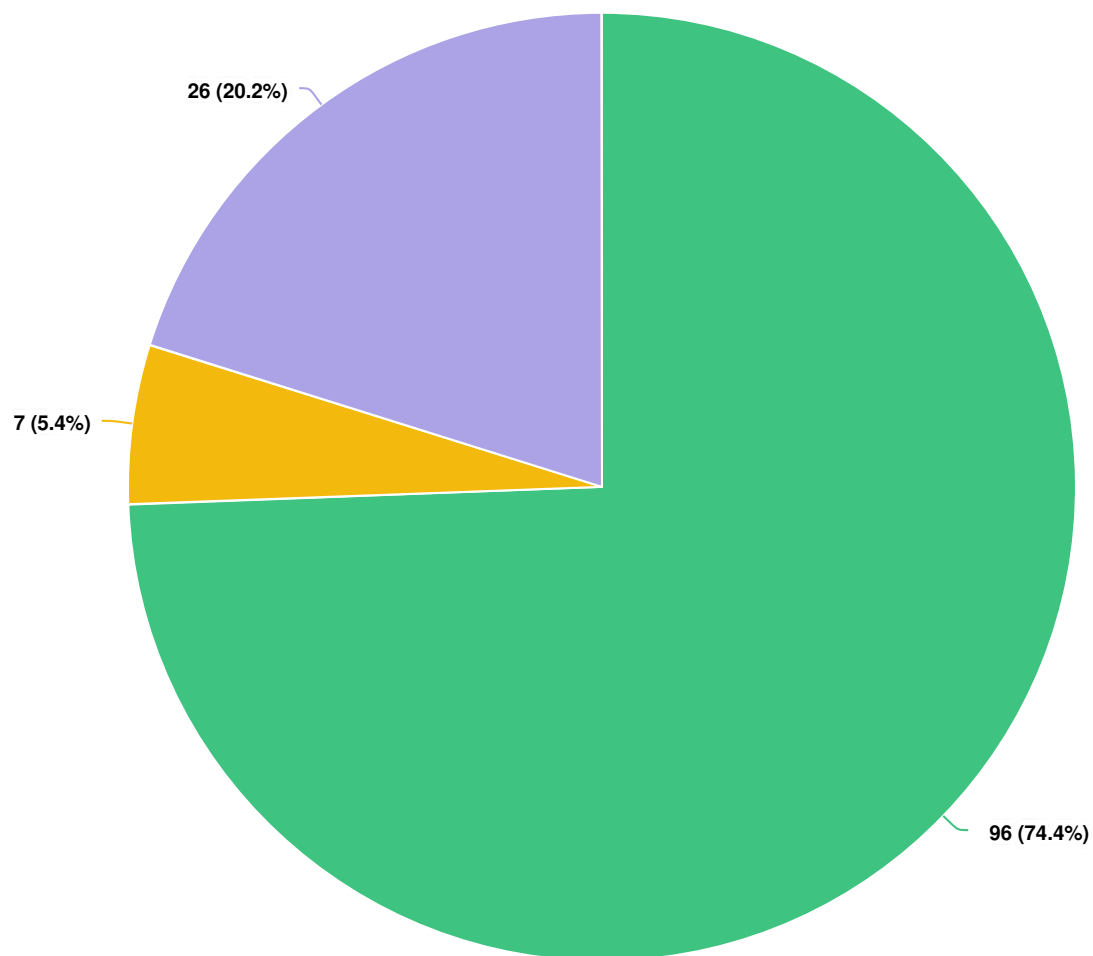

Question options

- My current building has defects ● A building I have previously lived in/owned had defects
- I am interested in purchasing an apartment building but am concerned about the quality of design and construction
- I am concerned that I will not be able to hold anyone accountable for defects
- I think the Government could be doing more to improve the quality of residential apartment buildings in NSW
- Other (please specify) ● I am concerned that my building may have a defect in the future ● General interest

Mandatory Question (10 response(s))

Question type: Checkbox Question

Q10 Initially, these changes will only apply to class 2 buildings, which are mostly residential apartment buildings. Class 2 buildings also include some low-rise buildings such as townhouses or attached granny flats. This will result in better quality ...

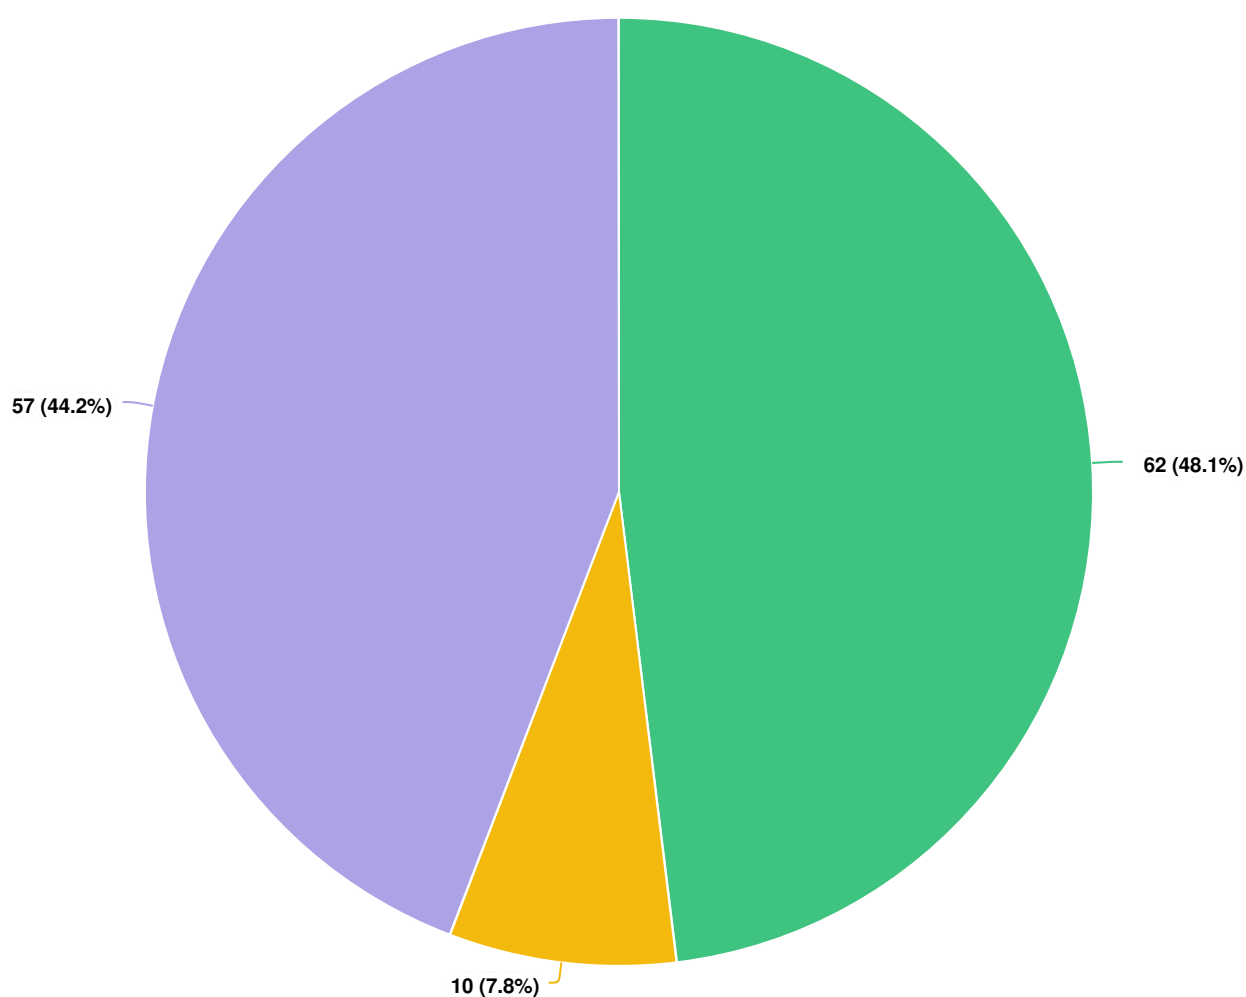

Question options

☒ Yes ☐ Not sure ☐ No. Please tell us why.

Mandatory Question (129 response(s))
Question type: Radio Button Question

INTENTIONALLY BLANK PAGE

Q11 Under the new scheme, the person who coordinates building work is responsible for declaring that all work done by others is compliant with the Building Code of Australia. Sometimes a developer will have to take on this responsibility if they are co...

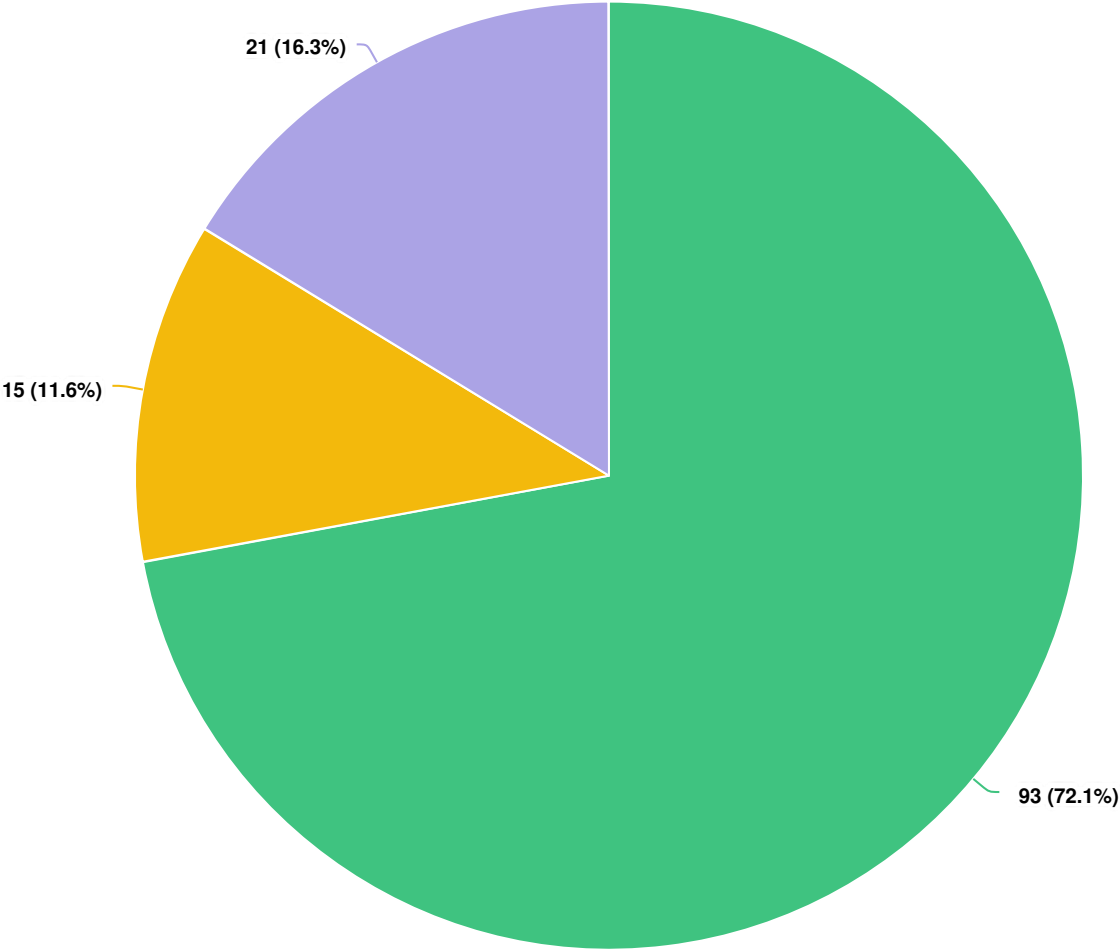

Question options

☒ Yes ☐ Not sure ☐ No. Please tell us why.

Mandatory Question (129 response(s))
Question type: Radio Button Question

INTENTIONALLY BLANK PAGE

Q12 | The reforms will require Building Practitioners to lodge all relevant plans and designs before beginning any construction work. Do you support this approach?

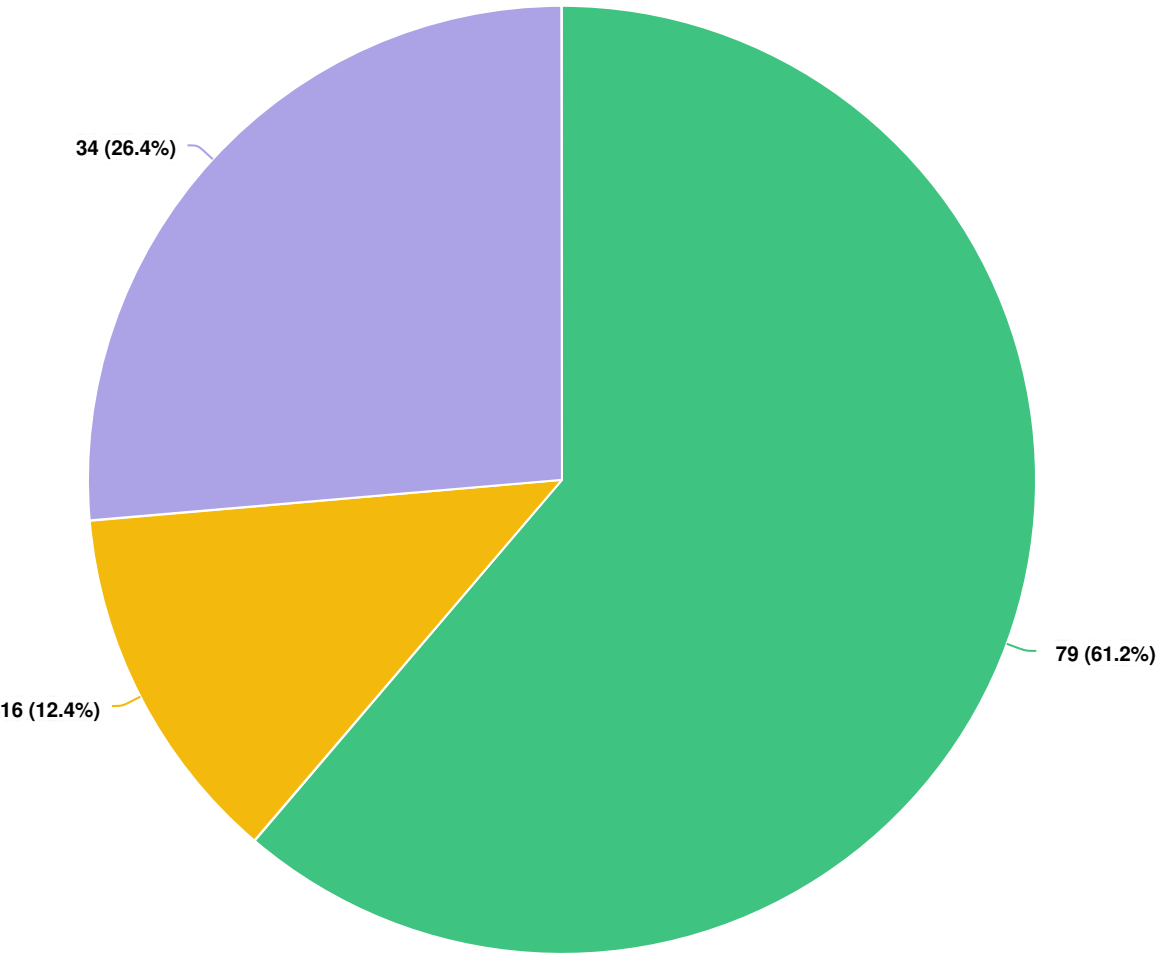

Question options

☒ Yes ☐ Not sure ☐ No. Please tell us why

Mandatory Question (129 response(s))
Question type: Radio Button Question

Q13 Under the proposed changes, engineering bodies that meet certain standards will be able to regulate, with Government, the registration of engineers. Do you support this approach?

Question options

☒ Yes ☐ Not sure ☐ No. Please tell us why

Mandatory Question (129 response(s))
Question type: Radio Button Question
