The Officer-in-Charge.

As a homeowner in a RLLC village, I am pleased to contribute to the Review of the RLLC Act.

I am deeply concerned at the possibility of escalating site rental fees in excess of the CPI.

As an aged pensioner with no other income, I must budget tightly to manage financially.

If ~~the~~ site fees are in excess of pension rises I will be forced to move — I have no family to rely on and no idea where I could afford to go.

I therefore request that site rental fees are increased in accordance, only, with pension increases.

Kind regards,

Residents Name: Grave Underwood
